

## **Doubling**

Hit the Button

<http://www.topmarks.co.uk/maths-games/hit-the-button>

Double My Number

Hold up a number on your fingers. Have your child double the number. Extend them by making the number you hold up a multiple of 10 e.g. if you hold up 2, the 2 becomes 20 and then you can have your child double it.

Playing Cards

Draw a card from a pack and have your child double the number. You can extend your child by drawing more than 1 card. Kings, Queens & Jacks are worth 10. Ace is worth 1.
